A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

A parcel known to contain a prohibited article, or a parcel intended for delivery at an address other than that borne on the parcel itself, is liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

Undeliverable parcels which do not contain the address of the sender and are not applied for are liable to be disposed of after three months. Parcels containing perishable articles will be dealt with as may be requisite.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

The Postmaster General can give no information as to the Customs tariff of particular countries, but if the sender desires an indication of the amount of duty likely to be levied, he should apply to the Department of Overseas Trade, 35 Old Queen Street, Westminster, London, S.W.1, and 73 Basinghall Street, London, E.C.2.

CUSTOMS DECLARATION AND DESPATCH NOTE.

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The form or forms should be filled up in ink. *Undervaluation of the contents of a parcel or failure to describe them fully may result in seizure of the parcel, or in the imposition of a heavy fine.* The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.

For postage rates and for particulars of the Services to individual countries, enquire at any Money Order Office. See also Table in current issue of the *Post Office Guide*.

AIR MAIL SERVICES.

**Particulars of the services, showing Air Routes, Countries served, fees payable, etc., are given in the current Air Mail Leaflet, of which a copy can be obtained by applying at any Post Office.**

The general regulations of the Air Mail are given hereunder:—

LETTER AIR MAILS.

1. *Any kind of letter packet may be sent by Air Mail, that is, letters, postcards, printed papers and commercial papers, and samples.* An Air Mail packet may be posted in any of the ordinary ways of posting. It can be accepted for registration (exception: Air Mail letters, etc., for Colombia), but *insurance* is limited to letters and boxes for Holland and Switzerland. The ordinary arrangements for *Express delivery* and the use of the green label system (for articles liable to Customs duty) apply.

2. A special Blue Air Mail label must be affixed to the top left hand corner of every Air Mail packet. These labels may be obtained, free of charge, at any Head or Branch Post Office and at certain others.

If an Air Mail label is not available the packet should be clearly marked "By Air Mail"; but the use of a label will expedite the treatment of the packet.

3. Air Mail correspondence must be prepaid in stamps to the full value of the combined postage and Air Fee. If the proper fees are not paid the packet cannot be sent by Air Mail.

#### PARCEL AIR MAILS.

4. Except where otherwise indicated hereinafter, the General Regulations of the Imperial and Foreign Parcel Post apply, e.g., as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Compensation, etc., see *Post Office Guide*.

5. *Accepting Offices*.—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels exceeding 11 lb. in weight are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

6. The sender of an Air parcel must affix an "Air Mail" label to the address label of the parcel and to the relative Despatch Note, and should write the words "Air Mail" conspicuously on the cover of the parcel. He must also prepay, in the usual way, the appropriate inclusive rate of postage, see *Post Office Guide*.

7. In addition to rapid transit by Air service, an Air parcel is usually given speedy Customs clearance abroad. It is important, in order that these advantages may not be thrown away, that the relative Despatch Note and Customs Declarations should be very carefully completed in accordance with the general regulations.

8. Air parcels cannot be insured, except in the case of those for Holland and Switzerland.

9. Particulars of the Air Parcel Services available are given in the Air Mail leaflet. The latest times of posting can be ascertained by enquiry at the local Head Post Office.

---

*Note*.—During the winter certain of the services are either suspended or offer no appreciable advantage for mails from Great Britain—see current Air Mail leaflet.

#### Inland Telegraph Money Orders.

Money may be transmitted by Telegraph Money Order between all Post Offices in the United Kingdom authorised to transact Telegraph and Money Order business.

Commission is charged at the ordinary rate for Inland Money Orders; see above.

In addition to the Commission, a charge is made at the ordinary Inland rate for the Official Telegram, authorising payment at the Office of Payment, the minimum being 1s., and a supplementary fee of 2d. for each order is also charged.

**Imperial and Foreign Money Orders, Commission, etc.**

**RATES OF POUNDAGE.**

	s.	d.
Not exceeding £1 .. .. .	0	6
Above £1 but not exceeding £2 .. .. .	1	0
Above £2 but not exceeding £3 .. .. .	1	6
Above £3 but not exceeding £4 .. .. .	1	9

Then at the rate of 3d. for each additional £1 up to the maximum amount of an Order.

The maximum amount allowed for a single Order for a British Colony, Foreign Country, etc. (£20 or £40, as the case may be), is stated in the *Post Office Guide* (Imperial and Foreign Money Order Services).

**Foreign Telegraph Money Orders.**

Money may be transmitted by Telegraph Money Order to most places abroad. Particulars may be obtained at any Money Order Office.

The charges are—a Money Order commission at the rate for Orders payable abroad; the cost of a telegram of advice at the rate per word for telegrams for the country in which the Order is to be paid; and a supplementary fee as follows:—For foreign countries (except Cuba, Egypt, and Iraq) and Newfoundland—6d. For the British Empire (except Canada and Newfoundland), Egypt, Iraq, Palestine, and Tanganyika Territory—1/- For Canada—6d. at ordinary rate; 1/- at deferred rate. For Cuba—4/8.

**General.**

Money Orders do not require a receipt stamp.

At the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, but when a good reason can be given for the delay in presenting it, an application for payment, subject to a deduction of 6d. is entertained. In certain foreign countries the period during which a Money Order is valid is less than twelve months—see *Post Office Guide*.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Post Office is not liable to any further claim.

**Postal Orders.**

Postal Orders for 6d. and for any multiple of 6d. up to £1 and also for £1 1s. are now issued in the United Kingdom, and in most British Colonies and Protectorates and certain other places abroad.

For details, see *Post Office Guide*.

The poundage payable in respect of Postal Orders issued in the United Kingdom is as follows:—

Amount of Order.	Poundage.
6d. up to 2/6 .. .. .	1d.
3/- up to 15/- .. .. .	1½d.
15/6 up to 21/- .. .. .	2d.

Broken amounts, but not fractions of a penny, may be made up by the use of British postage stamps, not exceeding two or three in number, according to the number of spaces on face of Order, or 5d. in value, affixed to the face of any one Postal Order.

Any sum up to £1 16s. 10d. can be sent more cheaply by Postal Order(s) than by Money Order.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Post Office at which the amount is to be paid. The person so named *must*, before payment can be made, sign the receipt at the foot of the Order, and *must* also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

### POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for Money Order business for the receipt of deposits of one shilling, or any number of shillings up to an aggregate of £500 in any year. There is no limit, however, to the amount which may stand to the credit of an account.

Deposits are received of any sums not less than a shilling, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Any sum not exceeding £3 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

For further particulars apply at a Post Office.

Immediate Annuities from £1 up to £100 may be purchased through the agency of the Post Office Savings Bank on the life of any person over 5 years of age. Husband and wife may each purchase an Annuity up to £100. Any two persons may purchase an Immediate Annuity on their joint lives, with or without continuance to the survivor.

For further particulars apply at any Post Office Savings Bank.

### Post Office Telegraphs.

TELEGRAPH AND TELEPHONE REPRESENTATIVE (INLAND AND OVERSEAS).  
Telephone No. Offl. 49.

#### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. (1s. 6d. for Telegrams addressed to the Irish Free State) for the first 12 words, and 1d. for each additional word. Addresses are charged for. Telegrams handed in on Sundays are charged 6d. extra.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the receiver of a Telegram doubts its accuracy he may have the whole or any part of it repeated without charge so long as the original telegram form is on hand at the office of origin.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and  $109\frac{1}{2}$  as two.

All Telegrams for delivery at addresses within three miles (one mile in Irish Free State) of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a Telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

### NIGHT TELEGRAPH LETTERS.

Night Telegraph Letters, which must be in plain language and must bear a full address, are accepted by telephone or over the counter at the Head Office up to 12 midnight to obtain delivery by post the following morning in the town postal delivery of any Head Post Office in Great Britain or Northern Ireland, except to the Channel Islands, the Isle of Man, the Scilly Isles, Islay, the Outer Hebrides, Mull, and the Orkneys and Shetlands; and to the following towns in the Irish Free State, viz., Cobh (or Queenstown) Cork, and Dublin. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. (1s. 6d. for an address in the Irish Free State) for 36 words or less, and 1d. for every three words beyond 36.

### REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a registration fee in accordance with the following scale of charges, dated from the day of registration:—

For a period not exceeding 3 months	.. .. .	£0 12 6
For a period exceeding 3 months but not exceeding 6 months		1 5 0
For a period exceeding 6 months but not exceeding 9 months		1 15 0
For a period exceeding 9 months but not exceeding one year		2 0 0

The address must consist of two words, one of which is to be the town or place of delivery.

An abbreviated address, for use solely in connection with telegrams from abroad, is given free of charge to firms engaged in business in connection with which telegrams are received from overseas.

### DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.
